4count Healthcare

Introducing our 4count healthcare service for an easy, economical and effective worming strategy. Get your full colour worm count record card, free with each pack!

- Our packs contain all you need for a series of four counts, with no end time limit on their use, contained in a handy plastic wallet so that you can keep them safe to use, as you need to.

- A free attractively designed full colour, record card for an individual horse, is included with each pack so that you can keep a complete worm count and worming record for your horse, helping you to keep track and plan ahead. The card also has helpful advice on planning your programme, and of course the usual informed and friendly help is available at the end of the phone or by email from Westgate's qualified staff if you should need it.

- All this at a very attractive price too, saving you money!
